

# Directions

My office is located at:

909 Pecan, Bastrop, TX

The building is located on the corner of Pecan and Chestnut (Loop 150) in downtown Bastrop. You may park on the road in front of building on Pecan and enter through the front door. Alternatively, you may park in the parking lot behind the building that is accessed off Chestnut Street. From the back, you will enter the building through the back porch. Go to the end of the porch and through the double doors. Relax in the waiting room until I greet you for our appointment.
